

# Please help Hannah Barkley journey to Cambodia to work with RAW Impact

I am going to Cambodia with RAW Impact from the 27th of June to the 6th of July as part of their "From the Ground Up" trip where I will be working with other supporters at the "Every Piece Matters Bamboo Village" and the amazing "Trong Island"!

I am keen to get hands-on with real projects to help families living in slum conditions. RAW's mission is all about giving a voice to those who don't have one and creating powerful change in Cambodian villages and I want to be a part of this mission <https://www.rawimpact.org/about/>

I am seeking fundraising support to help me get there so I can assist with RAW Impact's work in Cambodia, working to protect vulnerable families through safe housing, community development and sustainable living.

I was overwhelmed with the donation support I received a couple of months ago, and people still ask me where they can donate to help me with my journey. Therefore, I would love your help please to reach my second fundraising goal of \$2,500! Any help is greatly appreciated.

I am hosting an **Information Session and Fundraising Morning Tea** at St. Peter's Lutheran Church, Greenock, on **Sunday 19th May, after the 9am service**, which you're welcome to come along to, but if you cannot make it, then donating here will be a blessing also.

Thanks heaps and God's blessings,  
Hannah Barkley
